

I would like to take this opportunity to welcome you to the Phoenix Family! My name is Adrienne Huls and I am honored to be the Family Readiness Officer for HMHT-302. As your Family Readiness Officer, I am responsible for providing official communication and readiness for training support.

In addition, I will keep you up to date with the latest unit information as well as information on resources available to help you successfully meet the challenges of the military lifestyle. I too am a Marine wife, and have two kids so I understand how challenging the military lifestyle can be. Please do not hesitate to ask questions or request advice. I am here to assist you with whatever challenges you may encounter.

I will regularly be sending out emails with information in regards to resources, referrals and events. Please make note of my contact information and feel free to call me or email me any time! I look forward to working with you. Thank you for your continued support of HMHT-302.
